Samuel A. Gaita

Samuel A. Gaita has served as President and C.E.O. of Gaita Enterprises, Inc. since the year 2000. Mr. Gaita received his education in Burbank, California at Woodbury University in where he graduated in the National Honor Society and received his B.S. degree in Finance, with a concentration in Real Estate.

Mr. Gaita has been a Project Manager in real estate development for over 10 years and has worked on projects throughout New Jersey, California, and Florida. The project sizes range from single family homes to strip malls, warehouses, condominiums/town homes, and office buildings.

Mr. Gaita is especially proud to be helping combat the affordable housing shortage in Miami Dade County by currently devoting all of his time and efforts to developing high-quality affordable homes throughout Miami Dade County.

Within his efforts of giving back to the community, Samuel A. Gaita also created in 2006 The Gaita Community Enhancement Foundation a non for profit entity that works with goals of making positive differences in the City of Miami and Miami - Dade County by locating specific needs and weaknesses in the community and addressing them one by one.

The GCEF represents the realization of founder Samuel A. Gaita's life long goal of being able to give back to the community. Mr. Gaita's Real Estate Development firm, Gaita Enterprises, Inc., donates 10% of its proceeds to the GCEF. CEO and Founder Samuel A. Gaita also commits his time to the effort by encouraging local legislators, businesses and residents within the community to donate their time

and resources to the charitable efforts of the GCEF. The foundation is dedicated to the theory that the concept of home extends beyond four walls and into our neighborhoods and communities.

Based on this philosophy, Gaita Enterprises Inc applies 100% of the donations they receive directly towards increasing the quality and availability of community resources including but not limited to safe, well equipped public parks, youth enrichment programs, community awareness, safety, education and many other comprehensive neighborhood services. The GCEF is proud to turn neighborhoods into safe, educational and productive communities

Sam A. Gaita has also adopted 2 schools in Miami Dade County: Orchard Villa and Lenura B. Smith in his ongoing efforts for giving back to the community.
